

BUSINESS iPAY BILL PAYING AGREEMENT/DISCLOSURE
Effective February 1, 2008

Lytle State Bank- Business Bill Pay

This is your bill pay agreement with Lytle State Bank. You may use Lytle State Bank's bill pay service, iPay, to direct Lytle State Bank to make payments from your designated checking account(s) to the Payees you choose in accordance with this agreement. The terms and conditions of this Agreement are in addition to the Account agreements, disclosures and other documents in effect from time to time governing your Account.

In this agreement, "we", "us", or "our" refers to Lytle State Bank, and "you", "your" or "yours" refers to Lytle State Bank customers with valid access to bill pay or any person to whom access is provided to use the system on your behalf. A "payee" is any individual business or "merchant" you designate as the recipient of a payment including financial institutions.

HOW TO SET UP PAYEES/PAYMENTS

By completing a bill pay enrollment form, you may add a new payment (fixed or recurring) to a payee only if the payee is listed as an authorized payee at iPay. Most other additions, deletions, or changes can be made in writing or by using the iPay Service. If you want to add a new payee, use "set up account/payee" on the Internet or speak to a service representative. A newly added payee may not be available until it has been verified and accepted by the bank. Each new payee accepted by the bank will be assigned a payee code; however, Lytle State Bank reserves the right to refuse the addition of a payee for any reason.

You may pay almost anyone you wish; however, there are several restrictions: 1.) The payee/merchant must be located in the United States; 2.) Payments may not be remitted to tax authorities or government and collection agencies; 3.) Payments may not be remitted to Security/Investment companies such as Ameritrade for stock purchases or trade taxing authorities and 4.) Payments may not be directed to Court directed payees such as alimony, child support, or other legal debts.

Lytle State Bank will not be responsible if a bill payment can not be made due to incomplete, incorrect, or outdated information provided by you regarding a payee or if the payment is rejected or reversed for cause (see below) or if attempt to pay a payee that is not on your "Authorized Payee List".

THE BILL PAYING PROCESS

Single Payments:

Any payment(s) will be processed on the business day (generally Monday through Friday, except certain holidays) that you designate as the payment's process date, provided the payment is submitted prior to 2:00 p.m. Central Time of that date. A single payment submitted after the cut-off time on the designated process date will be processed on the following business day. If you designate a non-business date (generally weekends and certain holidays) as the payment's process date, the payment will be processed on the first business day following the designated process date. Lytle State Bank reserves the right to change the cut-off time as necessary and to provide you notice of the change.

Recurring Payments:

When a recurring payment is processed, it is automatically rescheduled by the system. Based upon your selected frequency settings for the payment, a process date is calculated for the next occurrence of the payment. If the calculated process date is a non-business date (generally weekends and certain holidays), it is adjusted based upon the following rules:

- If the recurring payments “Pay Backward” option is selected; the process date for the new occurrence of the payment is adjusted to the first business date prior to the calculated process date.
- If the recurring payments “Pay Backward” option is not selected (or if the “Pay Backward” option is not available), the process date for the new occurrence of the payment is adjusted to the first business date after the calculated process date.

NOTE: If your frequency settings for the recurring payment specify the 29th, 30th, or 31st as a particular day of the month for processing and that day does not exist in the month the calculated process date, then the last calendar day of that month is used as the calculated process date.

Electronic payments will occur in 2-4 days. For payments made by check, depending on where the payee resides, to reach the payee you must allow at least 4-8 days, prior to the due date as delivery will depend on US Mail. Any bill payment can be changed or canceled, provided you access the bill pay service prior to the cut-off time on the business day prior to the business day the bill payment is going to be initiated.

REJECTION OR REVERSAL OF PAYMENTS

You agree to have available and collected funds on deposit in the account you designate in amounts sufficient to pay for all bill payments requested, as well as, any other payment obligations you have to us. Lytle State Bank reserves the right without liability, to reject or reverse a bill payment if you fail to comply with this requirement unless you have sufficient available “Ready Reserve” or overdraft privilege. If you do not have sufficient funds in the Account and Lytle State Bank has not exercised its right to reverse or reject a bill payment, you agree to pay for such payment obligations on demand.
